

## Missouri District 05

Let me begin by introducing our organization. We are a division of the National Barrel Horse Association. The NBHA is a national association that promotes the fun of barrel racing for all ages and ability levels. We represent Missouri District 05 – which covers 20 counties in eastern Missouri. We work to encourage the sport of barrel racing to both novice and experienced riders – utilizing both novice and experienced horses. Although it is a competitive sport – we strive to make it fun and entertaining. Classes are offered for adults, youth and peewee riders, in an attempt to include the entire family.

We are currently hard at work on sponsors for the 2010 barrel racing season. 100% of sponsorship money is used to supply awards for our participants. These athletes work hard over the season, training and tuning themselves and their equine companions for competition. There are many benefits to becoming a part of the NBHA Sponsor team. Our basic sponsorship package includes advertising your company in our district newsletter, on our website, and on a banner to be displayed at our shows. Sponsorships are also available on our barrel covers that are used at every show and on several award levels. We thank you for your consideration and generosity.

Any questions concerning our organization can be directed to Sandy Turner 636-262-5864 or Stacy Dames 314-602-0407.
